

CSR Update 37

DRI Udaan Empowers Women to Dream and Achieve

It was a proud moment for about 50 women from economically weaker sections, who after months of training in cooking and tailoring, completed the vocational programme successfully. The ceremony was held on May 18, 2018, by DRI Udaan, a skill-development initiative in partnership with non-profit organization, Literacy India. Ms Anandita Pahwa, Head-CSR Initiatives, Desiccant Rotors International and Col. Hemant Kumar Jha (Retd), Consultant, Literacy India, were the chief guests of the event and honoured students with the certificates and prizes.

DRI Pathshala provides education and digital literacy to underprivileged children and under its DRI Udaan initiative, helps women earn a sustainable livelihood through skill development.

Awareness Session on Health and Hygiene at Pathshala

A volunteer activity based on health and hygiene was conducted at Bry-Air and DRI Pathshala to educate the children about the importance of personal hygiene and cleanliness. Finger Painting and Design Drawing of National symbols were also included as a part of the interactive learning programme. The purpose of the event was to enhance the general knowledge of the children.
